Directions to PDC – Product Development Center

If you are traveling. . .

South on the Southfield Freeway:

Take the Michigan Avenue Exit and continue along the freeway service drive to Village Road. Turn right on Village Road, proceed past Greenfield Village and Henry Ford Museum. Cross Oakwood Boulevard and pass through the Ford Research and Engineering Center entrance gate. Proceed on Village Road to the Product Development Center (first drive before the pond) and follow it up to the top of the drive where the Visitor Parking lot will be on the right.

North on the Southfield Freeway:

Take the Oakwood Boulevard Exit. Turn left on Oakwood Boulevard (going North) and go past Rotunda Drive, then go past the Dearborn Inn and at the light at Village Road turn left through the Ford Research and Engineering Center entrance gate. Proceed on Village Road to the Product Development Center (first drive before the pond) and follow it up to the top of the drive where the Visitor Parking lot will be on the right.

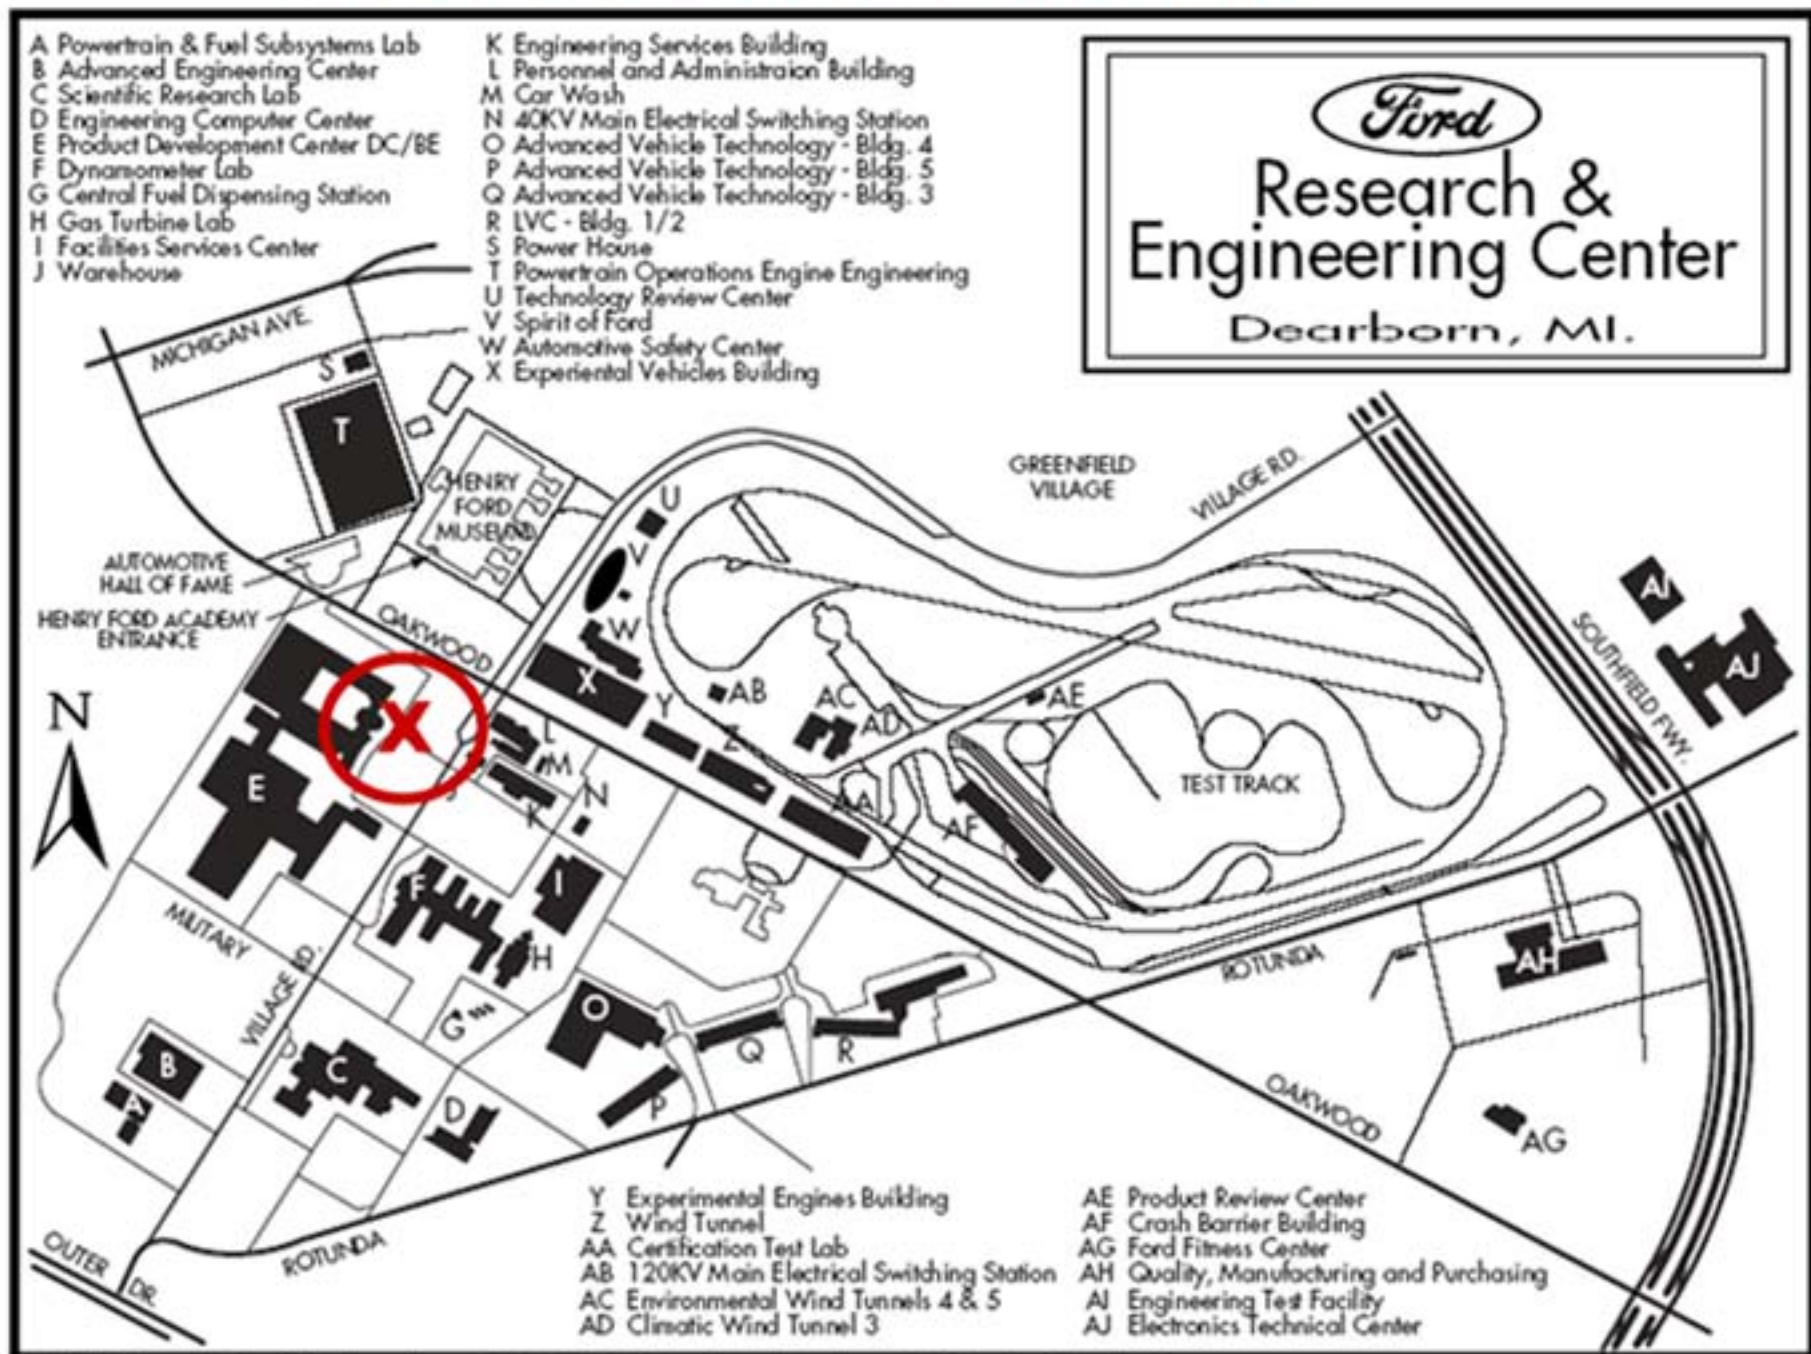

West on I-94:

Take the Oakwood Boulevard Exit. Turn right on Oakwood Boulevard (going North) and go past Rotunda Drive, then go past the Dearborn Inn and at the light at Village Road turn left through the Ford Research and Engineering Center entrance gate. Proceed on Village Road to the Product Development Center (first drive before the pond) and follow it up to the top of the drive where the Visitor Parking lot will be on the right.

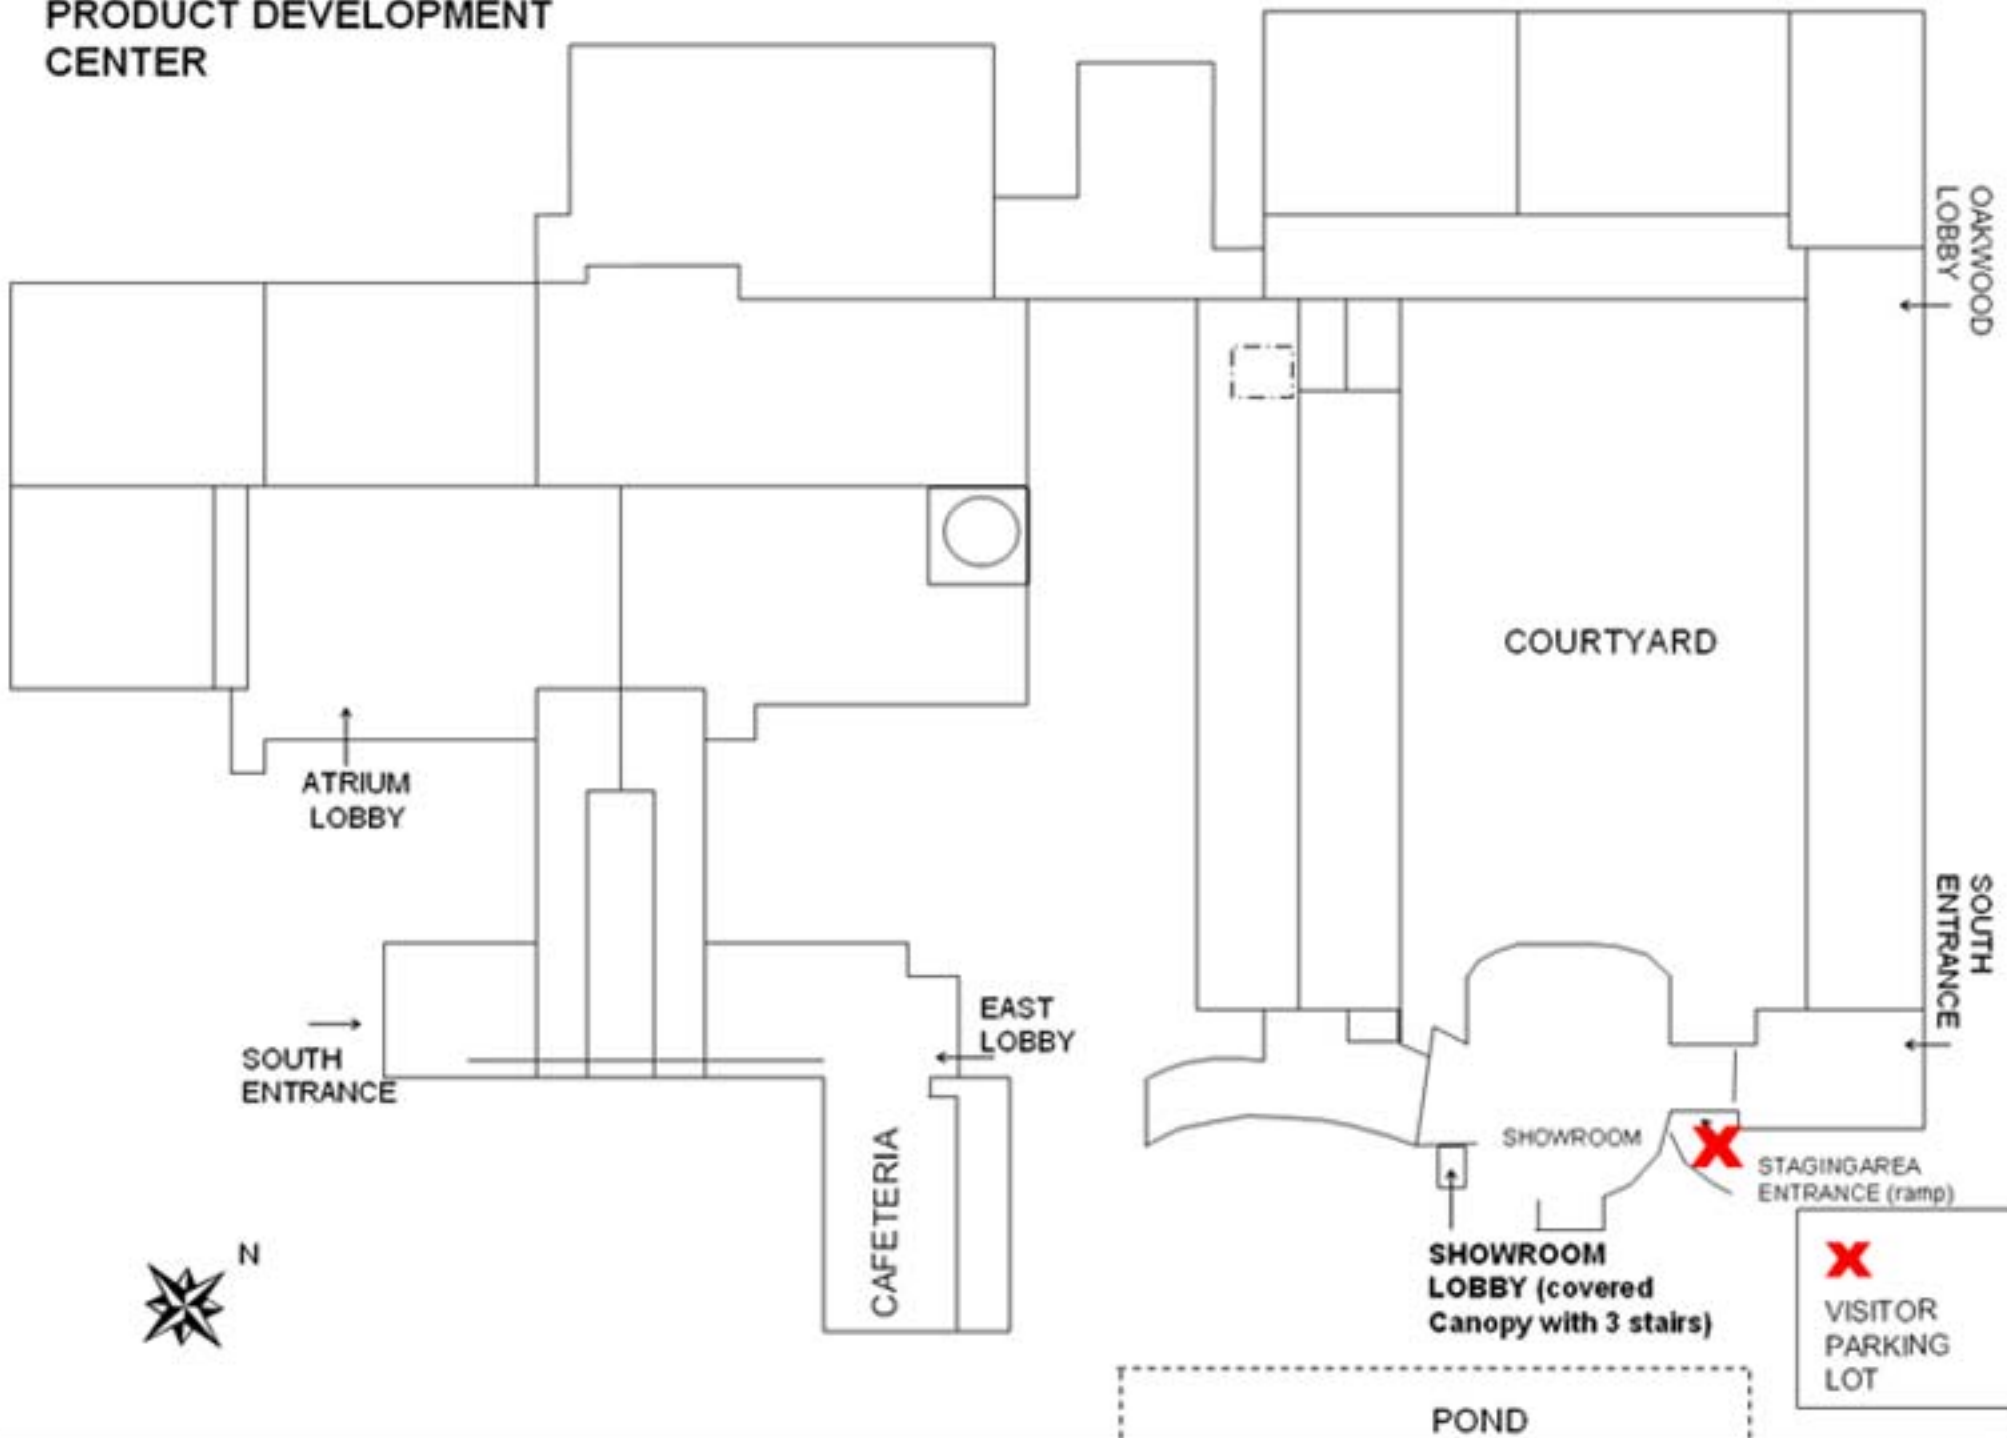

East on I-94:

Take the Southfield Freeway North and follow Southfield to the Oakwood Boulevard Exit. Turn left on Oakwood Boulevard (going North) and go past Rotunda Drive, then go past the Dearborn Inn and at the light at Village Road turn left through the Ford Research and Engineering Center entrance gate. Proceed on Village Road to the Product Development Center (first drive before the pond) and follow it up to the top of the drive where the Visitor Parking lot will be on the right.
